\$9,000 to go overseas for work experience

Global Footprints Scholarships

- For global industry experience
- For young people with VET backgrounds only
- For agriculture, horticulture and trades only
- For young people with a serious interest in the sustainability space

If you are a farmer, tradie or gardener, 18-25 years old, and passionate about sustainability then this is for you!

Applying is easy!

Just dream up how what work experience overseas would look like for you, and answer 5 simple questions about why you love what you do, where you'd like to go and why you care about sustainability.
